Civil No. 01-640-RE

**FEDERAL DEFENDANTS'  
UNOPPOSED MOTION  
FOR EXTENSION OF TIME  
TO FILE FIFTH STATUS  
REPORT**

---

Federal Defendants respectfully move the Court for an extension of time to file Federal

**FED. DEFS' MOT.  
EXTENSION OF TIME**

Defendants' Fifth Status Report on the Federal Columbia River Power System ("FCRPS") remand for the following reasons. As currently scheduled, Federal Defendants are required to file the next status report on January 3, 2007. Because the status report is a collaborative product necessitating a number of discussions within the Policy Work Group ("PWG") and because this report falls right after the holidays, Federal Defendants and members of the PWG believe that a one-month extension would allow for the preparation of a more comprehensive and accurate product. Further, in light of current discussions on the possible filing of a motion for preliminary injunctive relief for 2007 FCRPS operations, the collaborating parties have not focused their attention on this status report. Finally, Federal Defendants have consulted with all of the parties and there is no opposition to this request for an extension of time.

In light of these concerns and the lack of opposition, Federal Defendants ask for an extension of time until February 2, 2007, to file the next status report.

Dated: December 7, 2006

Respectfully Submitted,
